

WAYS TO GIVE 2023

Along with many opportunities for giving to the ministries and missions of the Church, there are several different ways to give.

- **GIVING ENVELOPES**

Continue to use your current giving envelopes and mail them to the church or drop them off at the church office on Monday – Thursday from 9:00 am – 4:00 pm. If attending in-person worship after it resumes, you may also give there, following instructions on where to place your giving envelopes during the worship service. When mailing your giving, please use the following address.

Chapel Hill United Methodist Church
157 Chapel Hill Drive
Battle Creek, MI 49015

- **EFT (Electronic Funds Transfer)**

You can give regularly through the mechanism of EFT (Electronic Funds Transfer). Use the enrollment form included in your Stewardship Packet, pick up a form at the church office, or download the form at our website. Return the form to the church office when completed.

- **WEBSITE GIVING**

Donations can be made through the current **Chapel Hill website: TheHillBC.com** by clicking on “**GIVE**”. You can register to use this digital method on your computer or device for ongoing or special donations.

- **MOBILE APP**

Below you will find instructions to download and use the VANCO Mobile app. This app, managed by the same provider used for our online services, offers the most device-friendly, mobile way to give digitally.

HINT: While you need to create a registration (using an email address and password) for the online and app based sites, the same registration can be used on both. That helps link them together and to our accounting process. You can also use the same registration across multiple devices.

NOTE: Outside of cash and check, all giving options require you to share banking or credit card information. Your Treasurer and Leadership Board are committed to creating relationships with organizations that do the best possible job of safe-guarding that information.
